Privately owned facility management and security services provider Tenon Group took its parent firm Mortice Ltd public by raising capital in London Stock Exchange's junior market AIM in 2008. Integrating world class facilities with impeccable services, the Tenon Group has manifested a global presence by providing comprehensive range of services in the security and facilities management domain today.

### **About Tenon Group of Companies**

*The Tenon Group of Companies, an Integrated Security & Facilities Management Corporation started its journey in India in 1995 and today has a global presence and is spread across India with over 55,000 employees in 71 branches, in India and overseas, providing comprehensive range of services to more than 1900 clients.*

*The Group founded by Major Manjit Rajain in India in the year 1995 started with comprehensive security solution services - Peregrine which quickly established itself as the premier establishment in this space. It has been awarded the Fastest Growing Security Company in India and has been independently rated by Grant Thornton, KPMG, EY and Deloitte as amongst the top 4 service providers in the country.*

*The Group's vision for growth led to the expansion of the business and in 2007, Tenon was established to offer Integrated Facilities Management Services. In 2009, the corporation was further strengthened by the acquisition of Rotopower, a 20 year old leading electro mechanical service provider. With the listing in the London Stock Exchange (AIM) in 2008 through its parent company Mortice Limited, headquartered in Singapore, Tenon had the distinction of being the only corporation in Asia offering Integrated Facility and Security Management Services to be featured. In 2013, Tenon expanded its global footprint and established its presence in Saudi Arabia and Sri Lanka through Saudi Tenon and Tenon Lanka, respectively. In 2014 Tenon made a significant foray in Netherlands through a joint venture with Amsterdam Arena International who are a specialists in the development and management of sports venues all over the world. It also launched a new vertical – Soteria, the state of the art Control and Command Center offering remote surveillance services. In 2015 Tenon augmented its vision of expansion further by 100% acquisition of a 37 year old leading UK based facility management company – O&G Group and acquisition of a leading A certified by (Singapore Police) security company in Singapore – Frontline Security.*
