**September 30, 2015:** Tenon Group, an Integrated Security and Facility Management corporate, unveiled the newly renovated building of Rajkiya Uchch Vidyalaya, Jhajjar, Haryana. The school was inaugurated by Mrs Ratan Bala Rajain, mother of Major Manjit Rajain, Group Chairman, Tenon Group amongst a packed audience which included students and teachers. The event witnessed a huge turnout of the local populace. The students were in high spirit as they sang a welcome song and performed yoga at the occasion.

In the first phase, the renovation includes new classrooms, hall & an adjoining veranda, toilet facilities, new light fixtures and fans, waterproofing of the walls and ceiling, tiling of the walls, painting of the hall, fixing of the doors, windows & ventilator, construction of 6 toilets - 3 for boys & 3 for girls, installation of the water cooler along with a storage tank and water pump, clearing and levelling of the play field for the children to play kho-kho etc.

**Speaking on the occasion, Major Manjit Rajain, Group Chairman, Tenon Group** said, “This initiative to renovate the building of Rajkiya Uchch Vidyalaya at Jhajjar was a defining moment for us. It was a proud moment for me personally to see the bright, eager and happy faces of the students. It has reinforced my belief that we have done the right thing by supporting and empowering the students by investing in the educational and sanitation infrastructure. We intend to continue our association with the school and gradually make this into a model school.”

**The Principal of the School, Mr. Raj Kumar** said, “In the 32 years of my professional career, I have not seen such toilets in any government school. The newly renovated hall, the construction of 6 new toilets and the installation of water cooler has definitely taken the standard of the school many notches higher. We sincerely hope that Tenon Group continues to support and invest in the future of the students of this school.”

Tenon’s Corporate Social Responsibility initiatives focus on issues that complement the company’s business model and competencies. It systematically applies its strength to gain an edge over the social and environmental value in the areas of Employability, Education, Healthcare, Inclusion and Environment.

Tenon’s future CSR Roadmap charter includes, complete development of the school which will be carried out in a phased manner, create standard work around social responsibility initiatives and drive employee engagement.
