## About Tenon FM

Tenon FM is one of the fastest growing global Facilities Management Organization, offering a wide spectrum of services across different geographies – India, UK and Singapore. It is a part of the INR1600+ Crore Group, which was founded in 1995. The expansion of footprint in Asia and Europe has enabled Tenon to incorporate global best practices.

Tenon is driven by innovation and service excellence offering 60 different service lines to over 1300 + clients globally, managing facility management space of over 350 million square feet, engaging more than 20,000+ facility management professionals. Tenon FM strongly believes in 'Services that Fit'. In India, Tenon FM is spread across 200 cities and 12000 locations servicing clients across diversified businesses and industry verticals.

Tenon FM draws the best talent in the industry with professionals from across the globe and having strong experience in all aspects of facilities management. Collectively, Tenon Management has 400 years of experience in delivering facility related services. In India Tenon has been independently rated by KPMG, EY and Deloitte as amongst the top 4 service providers and recognized by PWC as "100 Greatest Brands in Asia"

What sets Tenon apart is the ability to create efficiencies for the clients in different, innovative and often ground-breaking ways. The process starts with the analysis of the business needs. With an experienced management team exposed to working in and delivering services to multinational corporations you can rest assured of the best service standards.
