EXCELLENCE

Peregrine

An Indian leader in Building/Facility Safety & Security

Peregrine, one of India's largest security solutions providers, has a strong national presence with 78+ branch offices in 400+ cities. Operational in India and Singapore, we offer Integrated Security Solutions that include Physical Security, Electronic Security, Risk Assessment Consultancy, Executive Protection, Event Security, & Remote Surveillance to over 1500+ customers; private and public, across all sectors and markets.

A part of the ₹1800 CR + Tenon Group which was founded in 1995, we have expanded our footprint in the global arena. The expansion in Asia and Europe has enabled us to bring forth global knowledge and best practices for our customers.

With a collective experience of over 400 years in the Security domain, Peregrine draws the best talent in the industry with strong experience of having worked with Multinational Corporations and outsourced services providers in many different countries. Our model of "Self-Performance" (Accountability, Ownership, Value, and Retention) enables us to focus on quality management and continuous improvement, giving us an edge over the competitors. Whether it's a local, regional, or national assignment, we apply Insight, Experience, Intelligence, and Resource to help the clients make informed security decisions.

Services We Offer

Manned Guarding

We provide static & mobile manned guarding solutions that meet the custom requirements of our clients. Security personnel is well-trained in EPBX/Telephone Systems, Electronic Security Equipment, Fire Detection & Control Systems etc.

Canine Squads

With highly trained sniffer & guard dogs, we have expertise in anti-sabotage checks of conference venues, auditoriums, corporate headquarters, manufacturing plants, shopping malls, ports & warehouses.

Executive Protection

We offer professional home security systems, bodyguards, armoured vehicles & vehicle scramble plans for you. Our team is specially trained in executive protection, driving, first aid & marksmanship.

Security Arrangement at Special Events

We take a balanced approach of effective, non-excessive security solutions against a realistic assessment of an event. The team operates as per the customised security plan which addresses unique security threats at special events.

Security Survey & Consulting

Our expert team of analysts conducts surveys & gathers relevant information to identify safety & security requirements. Further is the analysis of the information, identification of the gaps, planning, and designing of security solutions as per the needs of the clients.

Electronic Safety & Security System

To address the ever-increasing needs of security services, we strike a perfect balance between “Man & Machine”. We provide consultation on sourcing and installation of top-of-the-line surveillance systems, access control systems & fire alarm/fire-fighting systems through Soteria Command Center, our Group Company.

Special Protection Officers

Specifically trained for the protection of VVIPs & top officers, our Special Protection Officers maintain a high level of physical fitness and undergo regular training programs.

Threat & Risk Analysis

We offer specialized threat & risk analysis services to determine the scope of threat & consequent risk assessment, both real & perceived. Experts analyse the findings to ascertain the exposures, recommend effective security solutions.

Peregrine Command & Control Center

Our centralized Command & Control Centre is an information tracking and dissemination resource. It tracks the latest trends & ongoing development that can have an impact on the security industry & sends news through e-mail and SMS to all our clients.

Critical Vulnerability Analysis

We conduct a vulnerability analysis of infrastructure & other critical assets to provide clients with a customized action plan for risk reduction. Our team highlights the weak points in an organisation's security environment & assesses associated risks

- A proud service partner to the top 11 companies enumerated in the Global Forbes List
- One of the leading Security Service providers by KPMG, EY, and Deloitte

- Recognized by PWC as one of the “100 Greatest Brands in Asia”
- Conferred with the reputed “Brand of the Decade Award” by ERC Media

Trainings

An Integral Part of Our Ecosystem

Peregrine's manpower is amongst the most dynamic, expert, and customer-focused professionals. We invest in our people through timely training and development programmes, enabling them to surpass clients' expectations every time. We have state-of-the-art training centres across India, and each one of them is headed by a competent senior officer, who typically hails from a security and defence background.

Our training calendars cover every aspect of security. Prior to deployment, every new recruit undergoes pre-induction training empowering them to serve their duty and fulfill their responsibilities, both efficiently and effectively.
