Chairman's Vision

“

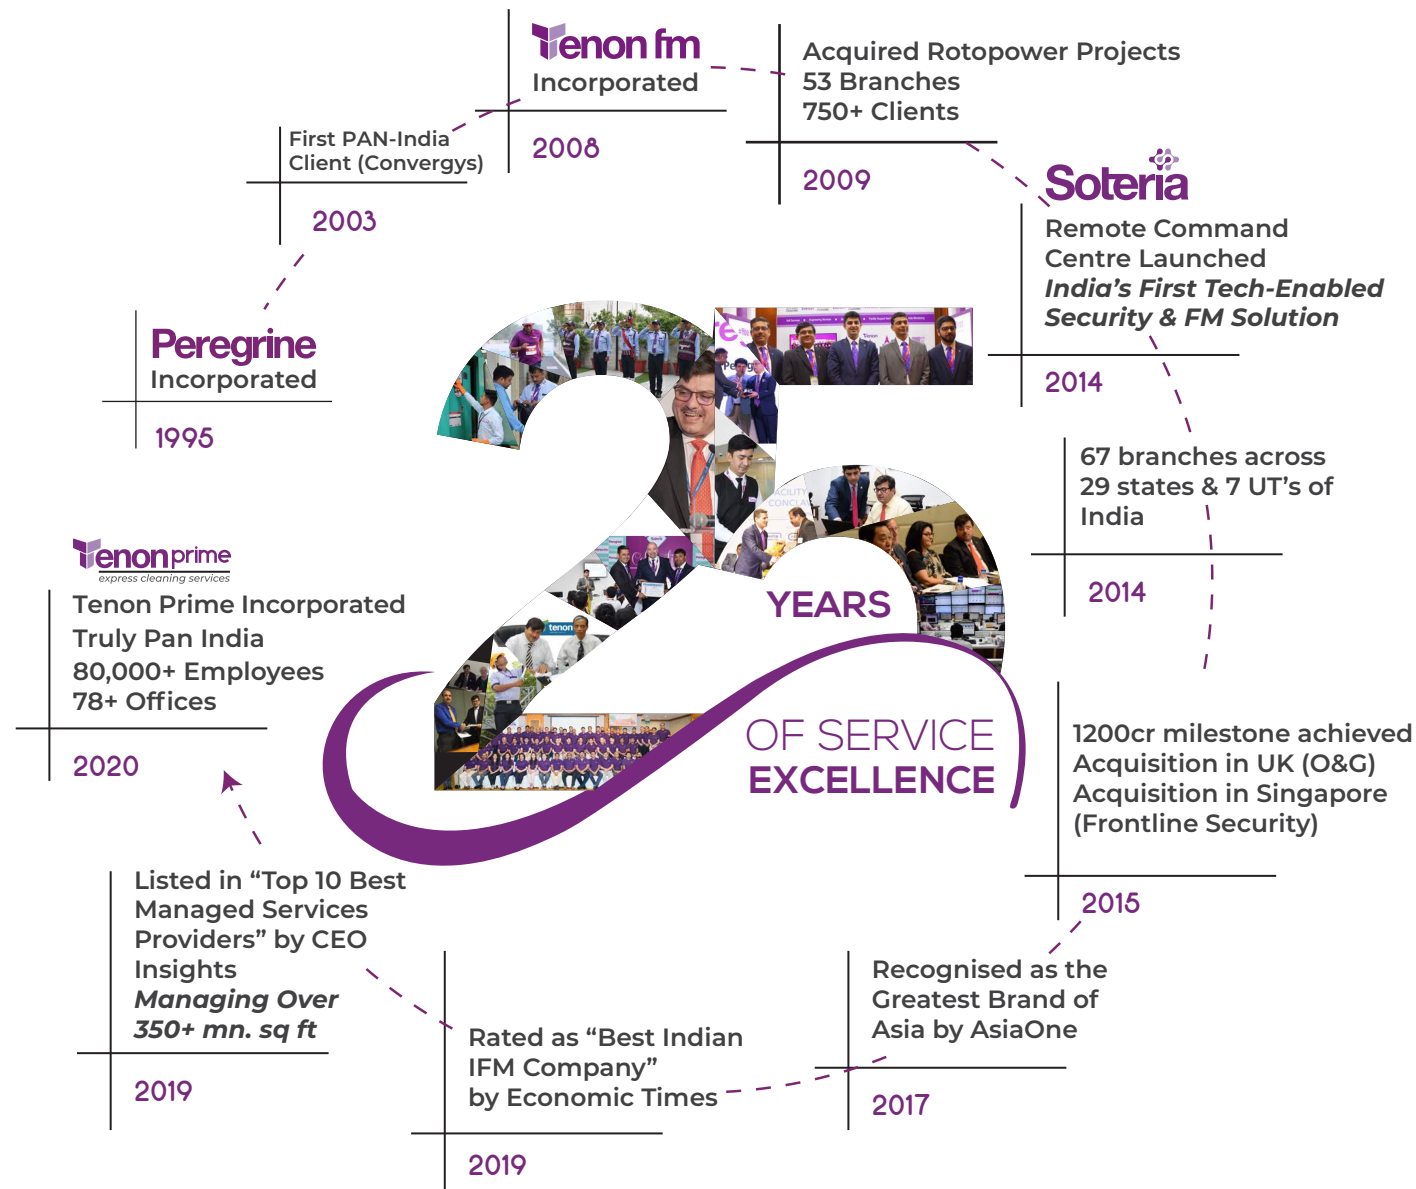

Founded in 1995, the Tenon Group of Companies has consolidated its position as a leader in security services and facility management solutions. We strive to add value to every process and delivery, which remains the cornerstone of our success. Tenon aims to expand globally, while seeking sustainable ways to engage with clients.

Our multinational presence is seamlessly integrated with our roots in diverse local cultures. This helps us synergize our services and support by merging resources. As your experienced partner, we not only bring our expertise in the domain, but also unparalleled know-how and focus.

”

Major Manjit Rajain, Global Chairman, Tenon Group of Companies

Trained & Specialized Manpower

Recruitment of quality talent & manpower is only the first step at Tenon. We regularly conduct comprehensive training programs to align every team member with the company's long term vision and goals. We draw the best talent in the industry with strong experience in all aspects of security & facilities management.

Our CSR - Tenon Cares

At Tenon, we believe in giving back to the community where we live and work. This core philosophy helps us work towards the sustainable development of society by contributing in the fields of education, health, hygiene, environment and skill development. We enable employability amongst the less privileged by imparting specific skills training in the areas of Security & Facility Management. This facilitates their absorption in the employment market and ensures a sustainable means of income.

Our Group Companies

Peregrine

INDIA | UK | SINGAPORE

To be a global Integrated Security and Facilities Management company, committed to providing services at a level of excellence that exceeds the industry standard. We aim to be amongst the most innovative and admired brands, setting standards for competitions to emulate.

We endeavor to be a highly efficient organization which is not only unparalleled in our industry but also the most preferred workplace. This will be accomplished by creating an environment that trains, encourages and rewards colleagues aspiring to take the company beyond the pinnacle of industry standards.
